## HOYA Awarded a Medal with Dark Blue Ribbon for its Humanitarian Aid to Ukraine

We are pleased to announce that HOYA Corporation (“the Company”) received the Medal with Dark Blue Ribbon for its contribution of 50 million yen through UNICEF’s “Ukrainian Emergency Donations” as a humanitarian assistance to Ukraine.

The Medal with Dark Blue Ribbon is awarded to an individual or organization such as a corporation who donate private funds for public benefit and have a remarkable achievement after screening based on recommendations from ministries and agencies in Japan.

On September 21, 2022, the Company was awarded by the Japan Committee for UNICEF.

To support relief efforts for people affected by the conflict in Ukraine, the Company collected donations from employees around the world, and donated a total of 8,592,481 yen to each country’s organizations which support the Ukrainian Humanitarian Crisis. The Company also donated 50 million yen to the Japan Committee for UNICEF and 50 million yen to the Japan Red Cross Society.

We hope that the Ukrainian situation will settle peacefully as soon as possible.
